

Learner Appeals, Reporting and Handling Procedure [Version 5]

Learners wishing to appeal must do so within 14 days of receiving the disputed assessment decision and are advised to keep copies of all documents relating to the appeal.

It is ultimately the responsibility of Michaela Breeze, manager of Breeze's, to ensure that this procedure is implemented, published and accessible to all personnel, learners and any relevant third parties. However, the Qualification Coordinators (QC) specific to each qualification are responsible for ensuring this information is fully understood by their qualification team and by the learners who commence courses/programmes in their area.

In the unlikely event that learners exhaust this procedure and remain dissatisfied with the decision made by Michaela Breeze, they may take their appeal to British Weight Lifting, following this it can then be taken to the awarding organisation investigations team. Where a learner remains dissatisfied after the appeal outcomes have been confirmed by awarding organisation, they have a right to take the matter to the appropriate regulator¹.

Stage 1

The appeal should be made, in the first instance, to the assessor who made the original assessment decision. At this stage, a verbal appeal is acceptable, although the learner is recommended to put the appeal in writing using the Breeze's Learner Appeals Form 1 provided.

The assessor should explain the rationale for the decision that is being disputed. The assessor is required to record an overview of the appeal and the outcome of the discussion and forward this to the Breeze's nominated Appeals Officer to retain with the centre's assessment and appeals records.
