

Refund or Change of Enrolment Policy for Training Camps:

Breeze's offers a Refund Policy which is Fair and Equitable Upon enrolling on any training camp. Anyone enrolling on these training camps agrees to abide by the conditions of enrolment (including meeting stated payments), in exchange for the service offered by Breeze's in the delivery of the training camps. Please note, changes in your circumstances are not the responsibility of Breeze's and neither can Breeze's be held liable for changes in your circumstances. Any individual booking onto a training camp in effect reserves a place. This may in the situation of restricted numbers (which training camps are) result in the place being denied to another.

In a situation where someone wishes to cancel or change their booking, and as a measure of goodwill, Breeze's will allow one of the following options once. Please read the following options and apply in writing to Michaela Breeze directly.

Within 14 days of signing up: For a period of 14 days from enrolment, a full refund will be given minus an administration fee of £25.00 cancellation – unless this is within 31 days of the camp starting, (in which case no refund will be provided). You must notify Michaela Breeze of Breeze's in writing and the letter be received within the 14 day period, either by email, mail or delivered in person. If you apply for a refund after 14 days our refund policy does not apply. However, you will have the option to change your training camp to another without incurring additional charges as long as it is not within 31 days of the training camp starting. The onus is on the person making the booking to ensure and confirm that written notification of withdrawal is lodged.

For a training camp cancellation:

- 50% of the total cost for the training camp will be refunded if Breeze's is notified more than 31 days before the training camp
- If Breeze's is notified less than 31 days before the training camp the cost will not be refunded
- For any cancellation, Breeze's can transfer the individual to a training camp at a later date if notified 31 days or more prior to the training camp starting.
